

Journal of Biological Engineering

Editor-in-Chief: Mark Eiteman, University of Georgia

Publication of the Year – 2011 ***Journal of Biological Engineering***

On behalf of the editors of *Journal of Biological Engineering*, we recognize the contribution of the following authors as the Journal publication of the year.

“Engineering BioBrick vectors from BioBrick parts”

Reshma P. Shetty, Drew Endy, Thomas F. Knight

Journal of Biological Engineering 2008, 2:5 (14 April 2008)

5730 accesses (in 2011)
20,188 accesses (4/14/2008 – 12/31/2011)
115 citations (4/14/2008 – 12/31/2011)

The Institute of Biological Engineering

Mark A. Eiteman, Editor-in-Chief
