Lalit R. Verma

Lalit R. Verma is elected to grade of FELLOW of the Institute of Biological Engineering. As a charter member and former president of IBE, Dr. Verma continues to advance the IBE and its mission. He led building small academic programs in biological engineering at two state flagship universities into vibrant and growing programs. As a registered professional engineer his internationally recognized research contributions are in rice and forage post-harvest engineering and technology.

An IBE FELLOW has a recognizable and demonstrable record of unusual and exceptional achievement and accomplishment in a specific sector of Biological Engineering. Their achievement and accomplishment advance the profession of Biological Engineering.

The Institute of Biological Engineering encourages inquiry, application and interest in biological engineering in the broadest and most liberal manner and reaches out to engineers, scientists and professionals internationally to advance Biology-Inspired Engineering.

Presented at the
2009 IBE Annual Meeting
Santa Clara, CA
March 21, 2009

Christina D. Smolke
IBE President
