

Ronald Sims

Ronald Sims is elected to grade of FELLOW of the Institute of Biological Engineering. Dr. Sims is a Professor of Biological Engineering at Utah State University and has been instrumental in the growth of IBE. Dr. Sims has put extraordinary energy and enthusiasm into IBE, particularly encouraging the engagement of students with the organization. Dr. Sims was IBE President in 2012.

An IBE FELLOW has a recognizable and demonstrable record of unusual and exceptional achievement and accomplishment in a specific sector of Biological Engineering. Their achievement and accomplishment advance the profession of Biological Engineering.

The Institute of Biological Engineering encourages inquiry, application and interest in biological engineering in the broadest and most liberal manner and reaches out to engineers, scientists and professionals internationally to advance Biology-Inspired Engineering.
