

# IBE 2025 CONFERENCE BIOETHICS ESSAY COMPETITION

Graduate and undergraduate students are invited to submit a 1000 to 1200 word, original essay on a bioethics' topic. The theme of this year's competition is: "**AI: friend or foe of a circular bioeconomy**". Five semifinalists are selected and given complimentary registration to the 2025 IBE annual meeting. At the meeting, the semifinalists read their essays, and the finalists are selected.

Cash awards are given for first place, second place, and third place. The first place essay is considered for publication in the Journal of Biological Engineering, the official journal of IBE.

**Due by: May 15, 2025**

Submit on EasyChair and select "Bioethics Essay Competition" as the relevant track.
